

January 4th 2017 Meeting Notes

Secretaries Report

- November minutes were read and approved (No December Meeting).

Treasurers Report

- Treasurer's report was read and approved with the following transactions.
 - Expenses –\$15.74 to Dick, \$20.61 HyVee, \$40.00 to Flom's
 - Income - \$795.00 from dues

Old Business

- Limiting the use of the field by other groups was discussed. Dick will formulate a letter to send to the groups that rent the field about the new restrictions.
- It was decided to complete the west wall. The north wall is 90% complete.
- We will need to work on the shed door in the spring.

New Business

- There was discussion about possibly making a donation to a local charity like the Owatonna Foundation. It was tabled to a later meeting
- Kenny was nominated and elected to be the new VP as Elwyn has not joined and cannot hold a position if not current on AMA dues.
- The Home and Rec Show is a go again as long as we get the same pricing as last year.
- Reminder to all members to make sure to pay your AMA and Club dues.
- Thursday night has again been designated to be the club flying night.
- Need to look at updating the signage out by the gate. The sign is weathering and will need possible replacement.
- Neil is donating a magnetic letter board to the club. Lettering has been ordered . We will discuss where and how we want to mount it by the front gate. This board will have event dates and cancellations listed for members and guests to view.
- Dale brought his new DJI Phantom quadcopter to show and to discuss the setup and flying of his new toy. They have a basic and higher end model on the same frame.
- Dylan was back from school and spoke to the members and guests about his flying full scale at UND and his drone piloting for one of the big companies that is doing research on the radio gear in the drones. He is also currently sponsored by one of the heli companies for his heli flying. Glad to hear things are going good for you Dylan!

Next formal business meeting will be on February 1st @ 6:30PM at the Owatonna Degner Regional Airport in the pilot conference room.
