

July 1st 2020 Meeting Notes

Secretaries Report

- Secretary report was read from the June meeting and approved.

Treasurers Report

- Treasurer's report was not available at meeting.
 - Expense \$67.36 to Dick for belts for the tractor.

Old Business

- 2020 Summer Event schedule –
 - Aero-Tow July 9 – 12
 - July 25 Fun Fly #2 – We will make this fun fly date into an Aviation day event.
 - 3D Fest Aug 20 – 23

New Business

- Fun Fly #1 was on June 27th. We had a good turnout of pilots. It was warm but one of the best days we have had for a fun fly. Photos have been added to the website via the Facebook page. We had some carnage but overall it was a good day of flying.
- The Sledworks Aero-tow is scheduled from July 9 – 12. No member flying during the event unless you are part of the Aero-tow event.
- Field Maintenance
 - It was decided to buy a third box of staples for the runway. Thank you to Joe for donating the 3rd box to the club. The runway is fully installed thanks to the members of the Aero-tow group. They came down and installed the patch between the runway and crosswind runway and stapled in the second piece on the north end of the runway.
 - If you have time to mow or trim please do your part to help with the field maintenance. An hour here or there helps to keep the field flyable for everyone.
 - The sheds need to have the final painting to the doors and trim. Paint should be available if you have time.
 - Neil to replace the 2 pieces of siding that blew off the sheds over the winter. This was finished after the July meeting adjourned,
 - We did spray the field but may need to spray again to knock down the weeds before the growing season is done.
- Neil to send an update to the AMA on the install of the new runway fabric. Will get a few overhead pictures to send with the update.
- It was motioned and approved to send \$50.00 to the Steele County 4H for awards even though the fair has been cancelled. They still plan to award the kids for their hard work this year.
- It was also motioned to purchase a new tractor seat for the Ford. Neil to purchase.

Next formal business meeting will be on Wednesday August 5th @ 6:30PM at the Robert & Corrine Reul Memorial field.
