

July 5th 2017 Meeting Notes

Secretaries Report

- June minutes were read and approved from the June meeting.

Treasurers Report

- Treasurer's report was read and approved with the following transactions.
 - Income - \$125.00
 - Expenses – Non reported during the meeting

Old Business

- The dumpster and Porta-Potty agreement was not kept between the 3D Fest and the Sled Works event. Each ended up resting their own versus splitting the cost.
- Runway damage happened during the 3D Fest but we were not notified of the damage.
 - It was discussed if a future event does happen that no3D flying will happen above the runway which they have agreed to.
- The3D fest had 14 registered pilots. The invoice has been sent to them. They have requested the same dates next year. We will discuss at a future meeting.
- The new trough and gutters are in place to capture the rain water for the chemical sprayer and the flowers.

New Business

- Wenger has agreed again this year to supply a semi-trailer for the AeroTow for storage of the larger sail planes. Thank you to Wenger for donating the use of the trailer for this event.
- We will again set up a canopy for Wenger employees to relax and watch some of the sail plane flying during the event.
- We will set up the information board on the new west wall of the shelter.
- Dick has 3 planes for sale if anyone is interested.
- We will be doing the AMA Cub event at the airport again this year on Aug. 8, 9, and 10.
- The 2nd Fun Fly of the year will be on July 29th. Flying to start around 9:00AM

Next formal business meeting will be on August 2nd @ 6:30PM at the Robert and Corinne Reul Memorial Flying Field.
