## May 3rd 2017 Meeting Notes

### Secretaries Report

- March minutes were read and approved as no meeting happened in April because the meeting room was locked.

### Treasurers Report

- Treasurer's report was read and approved with the following transactions.
  - Expenses –\$39.64 oil, \$40.98 nails, \$17.70 filter, \$172.00 taxes.
  - Income - \$135.00 from dues

### Old Business

- It was approved to buy a window to complete the west wall. Fleet Farm has them at roughly \$66.00.
- Parking blocks have been delivered to the field. Thanks to Northern Tool Manufacturing for the donation.
- Alice needs new transmission fluid as we have water in the case.
  - Dick is planning on pumping out the fluid and replacing
- The Husky has cracks in the main belt. Needs new blades. Dale was OK'ed to buy new ones.
- What do we want to do with the old rolled up canopy.

### New Business

- Thursday is designated club flying night. Please plan on joining us at the field when weather permits.
- The fuel cans need to be refilled. If emptied please fill them and turn in a receipt to get paid back by the club.
- Looking at options to replace Alice if the repair costs get too high. Some older tractors can be purchased at auction for around 3 to 4 thousand dollars.
- The 4H club has rescheduled for Saturday May 13<sup>th</sup> @ 6:00PM
- MRCSS likes the idea of removing the impound shed for pit space.
- When at the field please repair prop strikes and replace any missing patches.
- Need to repair the shed door yet and finish closing in the west wall.
- Add a second spring to the Husky.
- First fun-fly is scheduled for June 3<sup>rd</sup> @ 9:00.
- The Memorial Day parade we will set up a float as in previous years with music and planes.

**Next formal business meeting will be on June 7th @ 6:30PM at the Robert and Corinne Reul Memorial Flying Field.**
