

## March 3rd 2021 Meeting Notes

### Secretaries Report

- Secretary report was read from the November meeting and approved. No Meetings December – February due to COVID restrictions.

### Treasurers Report

- Expense – Alternator \$56.06 & 9.66 for Solenoid to Dick, Website \$107.46, \$20.00 domain, minus Neil dues \$70.00 and \$50.00 Neil paying towards Kenny's membership for money owed to Kenny by Neil. \$40.00 for Club Charter dues. Check to Neil for \$40.00 and balance of bills donated to club.
- Income – Nothing noted

### Old Business

- Group Me App – Contact Neil if you want to be added to the group.

### New Business

- Spring projects
  - Full tune up on Ford tractor
  - Flip mower to replace blades and check all bearings.
  - Gopher holes and moles need to plug and dispose of.
  - Downsize the bleachers and replace boards
  - Waterproof the lien-tu or paint inside and posts.
- Dues for the remainder of the year are \$75.00 if you have not paid for the 2021 season.
- We have updated the membership spreadsheet to get a current list of members with the member information updated. Membership cards will be placed in a plastic container in the large shed and an email will be sent to the member with a temporary card to get into the gate and the shed to retrieve your card.
- Website is still not taking information but we are working a solution. May look at changing our web software to get more modern and get us back online. More to come.
- Frozen finger fly was held on Jan 1<sup>st</sup> 9 members present with good weather and many flights.
- AMA Grant update – Submitted the forms and will hear from the AMA in mid-May on results.
- Field Events – **Aero-Tow July 8 – 11, 3D Fest – Aug 19 – 22.**
  - ORCM Fun Fly's – **June 26<sup>th</sup> and July 24<sup>th</sup> (Sunday Rain dates?)**
  - Sodbusters RC Auction at Sioux Falls Convention Center on April 24<sup>th</sup> 10:00 AM. \$5.00 admission, \$15.00 seller fee day of sale.
- We will scrap the idea of a generator at the field for power of electrics since many have small inverter generators already.
- Safety issue was brought up to always turn on your transmitter before powering up all electric models. No signal and a prop could spin up accidentally.

**Next formal business meeting will be on Wednesday April 7th @ 6:30PM in Dick Baumer's Garage.**
