Old Business

- 2021 Summer Event schedule
 - 3D Fest Aug 19 – 22, They had about 14 pilots for the event. Check was given to Greg to deposit from the event. This weekend is the only event they have as a club all year so they appreciate us renting the field to them.
- Field Maintenance
 - We will do training for the tractor on proper use and shut down if anyone wants to be trained in running them.
 - Waterproof lien-tu (Neil will do in the fall for winter protection)
 - Change Hydraulic fluid on Ford – maybe at end of the year.
 - Paint Gate and sign – Dick volunteered to do
 - Neil to paint and stain the main entry sign and posts- Neil to do in October.
- It was voted to change out the flowers for Arborvitae. Neil to order them and put in the ground closer to the end of the season.
- We are a 2021 Gold Leader Club – Does anyone need a pin?

New Business

- Website update - working with our host to get the new site finalized in between work schedule. Still finishing the last few details on the new website. Currently having issues with the main home page.
- More was discussed to buy an updated porta potty. We will be looking at pricing to get one that is more structurally sound over the winter for next season.
- We were the sponsor for a 4H Award this year at the Steel County Fair. Did anyone see who won the award? Usually a thank you note comes in the mail from the award winner.
- It was brought up for discussion to hire the mowing done as a possibility starting next season. With the age of the membership it is getting harder to maintain the field. More discussion to be held next month. Dick will contact Ballstadt to see what options and pricing they may have for us.
- Winter meetings will be at the Owatonna Public Library starting with the November meeting. Meeting time will be 6:30pm – 8:00pm.
