

## September 4th 2024 Meeting Notes

### Secretaries Report

- Secretary's report read and approved from the August meeting.

### Treasurers Report

- August Income - nothing reported. Total Income- \$0.00
- August Expenses - \$10.00 T-Mobile Hotspot, \$57.20, fuel, \$100.00 Flom's, Ballstadt's \$901.95. Total expenses \$1069.15

### Old Business

- There was no old business discussed.

### New Business

- Event Calendar - no more events for 2024
- 2024 Field Projects
  - Spray the shelter with waterproofing - Neil to do when weather cooperates and winds are low.
  - Still need to clean one leaf blower carburetor. - Dale working on this.
  - Siding will be repaired and the front sign completed by Neil. Siding at the field and Neil will install when time permits in his schedule.
  - A dump run will be planned this fall to haul out old materials and garbage from sheds and taxiways.
- An update on John was given, his family will be selling his RC equipment since he passed away on August 17th. An estate sale is scheduled for September 13, 14 and 15.
  - With John's passing the VP position is open and will get filled with the next officer rotation.
  - A sign with members that have passed away will be created over the winter months to be hung on the fence in front of the new bench.
- Discussed the Kadet 40 plane donated by Jerry Crest of Mankato. Thanks Dick for finishing assembly and maidenizing the plane. Video was sent to Jerry to show the plane flying and the plane will ultimately go to a new young member to get them into the hobby.
- Update was given on the CAP breakfast and the display. Neil and Dale set up the simulator and a few planes for display. Good traffic and another person asked about donating his son's equipment that is stored in his garage. They do not want it anymore. If we get that RC equipment we will see what we can use and what may get sold at the auction.
- Ballstadt quote for next year is the same as this year \$210.00/mowing, trimming would be \$80.00 and adding the driveway area would be another \$180.00 per time. We will discuss more over the winter as this is the largest expense for the club.
  - To offset the cost of maintenance an increase to membership may need to happen and will be discussed over the next 2 months before the 2025 membership form is updated for the website.

**Next meeting is October 2nd @ 6:30 pm at the  
Robert and Corrine Reul Memorial Flying Field**
